FOR THE NORTHERN DISTRICT OF WEST VIRGINIA**

IN RE:
CURT DAVID RICE
GRACE LOUISE RICE

)
) CASE NO.: 10-02302
)

**PROPOSED PLAN,
MOTION TO VALUE CLASS FOUR CLAIMS, AND
NOTICE TO CREDITORS**

To Creditors: Read this proposed plan carefully and discuss it with your attorney. This proposed plan requests that you accept its terms and contains evidentiary matters, which, if not controverted, may be accepted by the court as true. The proposed plan may be confirmed without further notice if no objection is timely filed. **If you object to any provision of this plan, or if you oppose any included motion to value collateral, you MUST file a timely written objection. Objections by any party other than the Chapter 13 Trustee must be in writing and filed with the court no later than fourteen days after the date first set for the § 341(a) meeting of creditors.** If this proposed plan was not filed at least fourteen days before the date first set for the § 341(a) meeting of creditors, objections must be filed within twenty-eight days after the filing of this proposed plan, or amended plan.

This plan does not allow claims; thus, the fact that your claim is classified herein does not mean that you will receive payment. You must file a proof of claim to be paid even if you are listed in this Plan or on the bankruptcy schedules. If the Debtor proposes to pay a claim directly, then the failure of a creditor to file a proof of claim does not excuse the Debtor from making the required direct payments; provided, however, if any part of a claim is to be paid by the Trustee, the creditor must file a proof of claim.

III. Classification of Claims and Valuation of Secured Property

Each holder of an allowed secured claim, which is paid during the life of the plan and for which the collateral is not surrendered, shall retain the lien securing the claim until the earlier of: (1) payment of the underlying debt as determined under non-bankruptcy law; or (2) discharge. Should this case be dismissed or converted before the plan is completed, the lien securing an allowed secured claim shall be retained by the holder to the extent recognized by non-bankruptcy law.

CLASS ONE: Allowed, Priority, Unsecured Claims Under § 507 of the Bankruptcy Code

(1) Trustee's Fees. The Trustee will receive from all disbursements such amount as is approved by the Court for payment of fees and expenses. The Trustee's fees are estimated to be 10% of each monthly disbursement. The Debtor has proposed a plan of reorganization that pays a gross base of \$24,000 over 60 months; thus the total estimated Trustee's fee is \$2,400. In the event that the Trustee's fees are less than 10%, the additional funds collected by the Trustee shall be disbursed to unsecured creditors up to 100% of the allowed claims. .

(2) Attorney's Fees. The Attorney for the Debtor will be paid a base fee of \$4,500 including adversary proceeding to strip second mortgage lien. The Attorney received \$2,107 from the Debtor pre-petition and the remainder of the base fee will be paid after confirmation of this plan and concurrently with any secured debt payments and any domestic support obligation that is to be paid by the Trustee. Funds are to be applied first to long term mortgage debts paid through the Trustee, second to equal monthly payments to other secured creditors, third to domestic support creditors, and only then to attorney's fees. Attorney's fees are to be paid, in-full, before any plan payment is applied to an arrearage claim or before payment is applied to any other priority or unsecured debts.

(3) Domestic Support Obligations.

[] The Debtor has no domestic support obligations

[x] The name and address of the holder of any domestic support obligation as defined in 11 U.S.C.

§ 101(14A) is as follows: (Do not disclose the names of minor children or confidential information -instead, inform the Trustee privately)

Payments on Domestic Support Obligations will be made as follows:

	Virginia Department of Taxation	taxes-2009	\$1,720
	Internal Revenue Service	taxes-2009	\$4,853
	West Virginia Tax Department	taxes-2009	\$ 980

Unless the holder of a Class One claim agrees to different treatment, the Debtor will pay all Class One claims in full, in deferred payments, provided a proof of claim has been filed, if applicable. The amount and timing of each monthly payment is subject to the discretion of the Trustee.

CLASS TWO: Debts Secured Only by the Principal Residence of the Debtor. The property address of the principal residence of the Debtor is:

There are no Class Two claims;
 There are Class Two claims that are treated under one of the following three options:

[x] Option 1: Direct Pay. The Debtor is not in arrears on these mortgage debt(s) and will directly pay the mortgage holder its regular monthly payment.

Claim #	Creditor	Monthly Contract Payment Amount	Total Number of Payments Remaining (if less than Plan length)
	BAC Home Loans Servicing	\$2,046	

[] Option Two: Cure of Arrearage and Maintenance of Payments.

Treatment of On-Going Monthly Payments

Claim #	Lien Holder	Regular Monthly Payment	Number of Payments Remaining if Less than Plan Length	Total Paid in Plan Through the Trustee

Treatment of Arrearage on Mortgage claims. The pre-petition arrearage must be paid through the Trustee and will be paid in the plan at 0% interest unless otherwise ordered by the court. The arrearage amount listed is an estimate and is subject to change based upon a Creditor's timely filed and allowed secured claim. The monthly payment amount on the arrearage debt is to be determined by the Trustee.

Claim #	Lien Holder	Amount of Arrearage

[x] Option Three: Open. The Debtor proposes the following treatment for Class Two claims:

The Debtors propose to file an adversary proceeding to strip the second deed of trust of Wells Fargo regarding the residence. The Debtors do not propose that the trustee make payments while the adversary proceeding is pending.

Unless a Class Two debt is paid in full in the plan, Class Two claims (home mortgages) are to be paid as long term debts and are excepted from discharge pursuant to § 1328(a)(1).

Notification of Payment Changes for Class Two Claims Being Paid Through the Trustee

In the event of any change in the amount of the monthly mortgage payments pursuant to the terms of the mortgage agreement, the creditor shall file with the Clerk, and serve upon the Debtor and Debtor's counsel, a Notice of Payment Change. Upon the filing of a Notice of Payment Change, the Trustee will change the monthly payment amount. In the event a Notice of Payment Change is filed, the Trustee shall be responsible to submit to the Court an amended wage withholding order and to notify the Debtor and Debtor's counsel in writing of the change in the plan payment. In the event a payment change affects the rights of any other creditor, a pre-confirmation amended plan or motion to modify confirmed plan must be filed.

CLASS THREE: - Oversecured Claims and Secured Claims Not Subject to Valuation Under 11 U.S.C. § 506 (creditor claims that are secured by a purchase money security interest in a motor vehicle acquired for the personal use of the Debtor within 910 days preceding the filing date of the petition or any other personal property collateral acquired within one year preceding the filing date of the petition).

[] There are no Class Three claims;
 [x] There are Class Three claims. Class Three Claims are treated under one of the following four options:

Option One: Direct Payment. The Debtor is not in arrears on these Class Three debt(s) and will directly pay the Class Three creditor its regular monthly payment.

Claim #	Creditor	Collateral	Monthly Contract Payment Amount	Total Number of Payments Remaining (if less than Plan length)
	Suntrust Bank	2006 Chrysler Town and Country	\$128	24
	PNC Bank	2008 Ford Escape	\$382	31

Option 2: Cure of Arrearage and Maintenance of Payments. If this option is used, both the cure of the arrearage and the ongoing contractual payments must be made through the Trustee, unless otherwise ordered by the Court.

Treatment of On-Going Monthly Payments

Claim #	Lien Holder	Collateral	Total Due at Filing	Interest Rate	Monthly Contract Payment Amount	Number of Payments Remaining	Total Paid in Plan Through Trustee

Treatment of Arrearage on Class Three claims. The pre-petition arrearage must be paid through the Trustee and will be paid in the plan at 0% interest unless otherwise ordered by the court. The arrearage amount listed is an estimate and is subject to change based upon a Creditor's timely filed and allowed secured claim. The monthly payment amount on the arrearage debt is to be determined by the Trustee.

Claim #	Lien Holder	Collateral	Amount of Arrearage

Option 3: Modification of Creditor's Claim Except as Provided in 11 U.S.C. § 506. Claims that are modified in a Chapter 13 plan must be paid through the Chapter 13 trustee. Both the arrearage amount and the remaining principal balance are paid at the prime rate in effect on the petition date, plus 2 percentage points, unless a different rate is stated. The total amount of interest to be paid in the Plan may be determined by the following formula: Total Interest = Principal x (Rate of Interest x Number of Years). The monthly payment amount is to be determined by the Trustee. The Trustee may pay the interest, secured principal and arrearage amount on an amortized basis over the life of the plan, and, thus, the total amount of interest may vary from the amount calculated.

Claim #	Creditor	Collateral	Total Owed (including arrearage)	Interest Rate	Number of Proposed Plan Payments	Total Paid in Plan Through the Trustee

Option 4: Open. The Debtor proposes the following treatment for Class Three claims:

CLASS FOUR. Claims Subject to Valuation

This Plan does not value claims. To value a claim pursuant 11 U.S.C. § 506, the Debtor must file and serve a separate motion on the affected creditor(s) pursuant to Fed. R. Bankr. P. 3012, 7004, 9104(b). If the motion to value is granted, the Trustee shall pay allowed secured claims based on the value of the collateral as indicated in the order granting the motion, in full, over the duration of the plan. The Trustee will pay interest on the secured portion of the claim at the prime rate in effect on the petition date, plus 2 percentage points, unless a different rate is stated. The total amount of interest to be paid over the life of the Plan may be determined by the following formula: Total Interest = Principal x (Rate of Interest x Number of Years). The monthly payment amount is to be determined by the Trustee. The Trustee may pay the interest, secured principal and arrearage amount on an amortized basis over the life of the plan, and, thus, the total amount of interest may vary from the amount calculated. The actual amount and timing of the payment(s) on the secured portion of the claim are subject to the discretion of the Trustee. The amount of the creditor's claim in excess of the Debtor's valuation for the collateral shall be treated in Class Six as an unsecured claim if the creditor timely files a proof of claim. If an order is entered treating the claim as wholly unsecured then the creditor's lien will be avoided pursuant to 11 U.S.C. § 506 on entry of discharge.

The Debtor is the owner of the property serving as collateral, is aware of its condition, and believes that its value is as set forth below. If the Debtor's motion to value is granted, the affected creditor(s) will receive the following treatment in the Debtor's plan:

Claim #	Creditor	Collateral	Amount Owed	Debtor's Valuation	Interest Rate	Total Paid in Plan

CLASS FIVE: Secured Collateral to be Surrendered or Sold

There are no Class Five claims.
 There are Class Five claims.

The Debtor proposes to surrender or sell the following collateral:

Claim #	Creditor	Collateral	Amount Owed	Debtor's Valuation of the Collateral	Indicate if Surrendered or to be Sold	Time to complete sale, if applicable

For property the Debtor proposes to sell, a separate Motion and proposed Order must be filed which provide the details of the sale. Court approval also must be obtained for the hire and use of a professional to sell property. After the payment of secured debts and the costs of sale, all net proceeds shall be paid to the Trustee for distribution. Property to be sold by the Debtor that is not sold in the applicable time period will be surrendered to the creditor unless the Trustee requests additional time, or unless the Debtor modifies the plan to retain the collateral and cure existing defaults. A secured creditor entitled to a deficiency claim must file that claim within 90 days of the date that the real or personal property is surrendered by the Debtor, or within 30 days of a sale that is conducted by the Debtor. After the payment of secured debts and the costs of sale, a report accounting for the sale shall be made and all net proceeds shall be paid to the Trustee for distribution.

CLASS SIX: Timely Filed and Allowed Non-Priority Unsecured Claims.

Class Six claims will be paid pro rata. The Debtor estimates that Class Six claims will receive 5% of their claims. Payment of any dividend will depend on the amount of secured and priority claims allowed and the total amount of all allowed unsecured claims. No payment will be made until unsecured priority claims are paid in full, and no payment will be made on Scheduled claims unless a proof of claim is filed.

The value as of the effective date of the plan of property to be distributed in the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the Debtor was liquidated in Chapter 7 of the Bankruptcy Code on that date. The percentage distribution to general unsecured creditors in Chapter 7 is estimated to be 0%, as shown on Exhibit A attached hereto.

CLASS SEVEN: Executory Contracts / Unexpired Leases

The following executory contracts and/or leases are held by the Debtor. The treatment of each lease/contract is set forth below. The Debtor shall surrender any property covered by rejected executory contracts or leases to the affected creditor no later than the date this plan is confirmed.

Claim #	Creditor	Indicate if Assumed or Rejected and identify the item leased	Monthly payment (Indicate if payments will be made in the plan (Y/N)	Arrearage amount	Total Paid in Plan Through the Trustee
	ADT security system	reject			

CLASS EIGHT: Post-Petition Claims Under Bankruptcy Code § 1305.

Unless a timely objection is filed, post-petition claims allowed under § 1305 shall be paid, in full, in equal monthly installments. Payments shall commence no later than 30 days after the filing of the claim, and conclude on or before the date of the last payment in the Plan, unless otherwise ordered by the Court.

Other Plan Provisions**A. Co-Debtor Claims**

The following claims for consumer debts on which another individual is liable with the Debtor are separately classified. Unless otherwise indicated co-debtor claims are to be paid in full.

Claim #	Creditor	Co-Debtor	Interest Rate	Monthly Payment / Number of Months	Paid by the Trustee ("T") of the Debtor ("D")	Total Paid in Plan Through the Trustee

B. Student Loans

The following claims are non-dischargeable student loans and will be treated as follows:

Claim #	Creditor	Amount Owed	Interest Rate	Choose an Option: [] Debtor to pay directly outside the Plan; [] Pay pro rata through the Plan as a Class Six creditor; OR [x] Other; Please explain basis for treatment below:	Total Paid in Plan
	Chela (Sallie Mae)	\$2,067	per agmt	Daughter will continue to pay this directly.	

C. Additional Classes.

There are no additional classes of claims
 The Debtor proposes to separately classify the following claims:

Claim #	Creditor	Interest Rate	Monthly Payment / Number of Months	Paid by the Trustee ("T") or the Debtor ("D")	Reason for Separate Classification	Total Paid in Plan Through the Trustee

D. Motions to Avoid Lien(s) Under 11 U.S.C. § 522(f).

The Debtor will file a separate motion to avoid the following judicial liens or nonpossessory, nonpurchase money security interests. Unless a separate motion is filed, this plan does not operate to avoid the liens and claims will be treated according to their filed proofs of claims. Otherwise an adversary proceeding must be filed to contest whether a lien is enforceable or not. The Debtor may at a later date seek to avoid a judicial lien held by a creditor not listed below. The Debtor discloses the intention to avoid liens held by the following creditors:

Claim #	Creditor	Collateral

E. All property of the estate under sections 541 and 1306 of the Bankruptcy Code will continue to be property of the estate following confirmation.

F. The Trustee will mail payments to the address provided on the proof of claim form unless the creditor provides another address by an amended proof of claim or other document filed with the Clerk. If the claim is subsequently assigned or transferred, the Trustee will continue to remit payment to the original creditor until a formal notice of assignment or transfer is filed with the court.

G. Other (explain):
 Debtor reserves the right to object to claims not properly documented.

Debtor objects to any claims for fees not considered principal or interest, permitted by law or this Court under Rule 2016.

Secured creditors shall first apply on-going adequate protection payments, made by the debtor and/or chapter 13 Trustee, to post-petition principal and interest and if applicable, to only current escrow sufficient to cover current insurance and taxes. The payments shall not be used to pay pre-petition debts of any sort including pre-petition interest, penalties, late fees, other fees or pre-petition arrears on escrow payments.

Creditors agree to receive pre-confirmation and post-confirmation payments made by the debtor and/or the chapter 13 Trustee and will not charge a late fee as long as the debtor/Trustee is making payments in the ordinary course of her business pursuant to the chapter 13 plan both before and after confirmation.

- H. There are no other plan provisions.
- I. "Debtor" includes both Debtors in a jointly filed case.
